OA 4 Comparar números del 0 al 20

Instrucciones: Observa y compara los números. Identifica los signos utilizados.

4 es mayor que 1

This block illustrates the comparison of the numbers 4 and 1. On the left, there are four line drawings of apples arranged in a 2x2 grid. In the center is a large greater-than sign (>). On the right, there is one line drawing of an apple. Below the apples and the sign, the text '4 es mayor que 1' is written in a large, bold, black font.

2 es menor que 3

This block illustrates the comparison of the numbers 2 and 3. On the left, there are two line drawings of apples arranged vertically. In the center is a large less-than sign (<). On the right, there are three line drawings of apples arranged in a 2x2 grid with the bottom-right position empty. Below the apples and the sign, the text '2 es menor que 3' is written in a large, bold, black font.

3 es igual que 3

This block illustrates the comparison of the numbers 3 and 3. On the left, there are three line drawings of apples arranged in a 2x2 grid with the bottom-right position empty. In the center is a large equals sign (=). On the right, there are three line drawings of apples arranged in a 2x2 grid with the bottom-right position empty. Below the apples and the sign, the text '3 es igual que 3' is written in a large, bold, black font.
